STAT FROM:
Director of Security

SUBJECT: Technology Transfer Presentation at the
Industrial Security Seminar on 20 May 1982

Please accept our thanks for your outstanding presentation to the corporate security managers attending the Industrial Security Seminar at Headquarters on 20 May. The feedback has been exceptionally favorable and indicates that your presentation was a highlight of the seminar. We are aware of your tight schedule and the fact that you had less than 24 hours prior notice. We share your concern with regard to this vital subject and we were certain that this particular audience would benefit from such a presentation. The results confirm this belief and we wanted you to know that your efforts were extremely well received and very much appreciated.
